

MINISTRY FOR PRIMARY INDUSTRIES
IMPORTING COUNTRIES PHYTOSANITARY
REQUIREMENTS
MYANMAR

Status: Approved

Date: 22 December 2016

EXPORTERS ARE ADVISED TO CONFIRM THE IMPORT
REQUIREMENTS PRIOR TO EXPORT FROM
NEW ZEALAND

Amendment Record

Amendment No	Date:	Nature of amendment:	Approved by:
7	16 January 2019	Added additional declaration requirements for <i>Prunus avium</i> in section 4.1.1.	SH
6	14 January 2019	Added commodity specific requirements for fresh fruit and vegetables to sections 4.1.1 and 4.1.2, nursery stock in section 4.3, seed for sowing, consumption and processing in sections 4.4.1, 4.4.2 and 4.4.3 and animal feed in section 4.5. Added requirements for fresh cut flowers and foliage in sections 3.2 and 4.2.	SH
5	16 June 2017	Added statement to section 2.3, 3.1.1 and 3.2.1 advising that as of 1 October 2017, the import permit (import certificate) number must be stated in the additional declaration section of the phytosanitary certificate.	HK
4	29 May 2017	Added statement to section 3.1.1 to clarify that NZ is considered free of <i>Bactrocera tryoni</i> and <i>Ceratitidis capitata</i> in order to meet Myanmar's phytosanitary requirements for fruit fly.	DY

3	04 May 2017	Added statement to section 2.1 and 2.3 to clarify that an import permit is known as an import certificate in Myanmar.	HK
2	10 January 2017	Added table of contents, general information section 1, general requirements section 2, commodity class requirements section 3 and commodity specific requirements section 4 for fresh fruit and seeds, grains and nuts for sowing.	HK
1	22 December 2016	Information on Pest Risk Analysis (PRA) Requirements	GF

DISCLAIMER

The phytosanitary requirements in this document may be used as the basis for export certification. However, exporters should be aware that importing countries may change their requirements at any time; at short notice or without giving notice to New Zealand.

This information is provided strictly on the basis that the Crown, the Ministry for Primary Industries, its statutory officers, employees, agents and all other persons responsible for or associated with the compilation, writing, editing, approval or publication of the information:

1. disclaim any and all responsibility for any inaccuracy, error, omission, lateness, or any other kind of inadequacy, deficiency or flaw in, or in relation to, the information;

and

2. without limiting (1) above, fully exclude any and all liability of any kind on the part of all of them, to any person or entity that chooses to rely on this information

Compliance with this document is not to be taken as a guarantee that any particular goods will be granted access to any overseas market. We recommend that exporters work with their importers to obtain the most up-to-date information.

1 General Information

Users of this document are strongly advised to read all sections to understand the phytosanitary requirements for a commodity.

1.1 For enquires about this document email the Plant Exports Team:

plantexports@mpi.govt.nz

Please state the nature of your enquiry in the subject line e.g. Myanmar query or pest interception or password re-set.

For urgent enquiries please phone + 64 4 894 5693

1.2 Scope

The requirements listed in this Importing Country's Phytosanitary Requirement (ICPR) document apply to product of New Zealand only, unless specifically stated.

This ICPR specifies Myanmar's phytosanitary requirements. If a commodity or commodity group is not identified within this ICPR exporters should direct enquiries to:

- Myanmar directly to ascertain requirements
- or
- Ministry for Primary Industries (MPI)-Plant Exports. Refer to 1.1

1.3 Phytosanitary legislation

The following legislation controls the importation of plants and plant materials into Myanmar:

- The Plant Pest Quarantine Law for the State Law and Order Restoration Council

1.4 Fees and charges

- Please note that the determination and provision of phytosanitary requirements for a commodity not listed within the ICPR may be undertaken on a cost recovered basis. A link to the list of Plant Exports Fees and Charges is available on <http://mpi.govt.nz/exporting/food/fruit-and-vegetables/fees-and-charges/>

2 General Requirements

2.1 Definitions

Table 1. Definitions defined by the Plant Pest Quarantine Law.

Beneficial Organism	An organism which benefits the agriculture by causing disease to/parasitizing eggs or by predateding the pest. This includes insects, arachnids, fungi, bacteria, viruses, nematodes and various kinds of edible mushrooms which in one way or another benefit agriculture and other organisms, as prescribed by the Myanmar Agriculture Service.
Import Certificate	The certificate issued by the Myanmar Agriculture Service for the purpose of importing plant, plant product, pest, beneficial organism or soil. In New Zealand this certificate is also known as an import permit.
Managing Director	The Managing Director of the Myanmar Agriculture Service.
Minister	The Minister for the Ministry of Agriculture.
Ministry	The Ministry of Agriculture.
Non-plant Product	Any material which is not a product of plant and which is contaminated with pest constituting risk of spread. This includes imported materials which have been prescribed for the purpose of this Law by the Ministry for inspection.
Pest	Insects, arachnids, rats, moles, snails, weeds that destroy crops, food or commodities or those interfering with human beings or animals. This also includes other pests that cause plant disease and living organisms prescribed by the Myanmar Agriculture Service.
Phytosanitary Certificate	An internationally recognized certificate issued by the Myanmar Agriculture Service after phytosanitary inspection in accordance with the model prescribed in the 1951 International Plant Protection Convention.
Plant	The cultivable plant and propagative parts thereof. Includes seed, tuber, corn, bulb, root or stem part of the plant.
Plant Product	Any unprocessed material of plant origin or even though processed which by the nature and that of the processing method may create a risk for the spread of pests. Includes tuber, corn, bulb, grain, fruit or vegetable for consumption.
Quarantine Pest	A pest dangerous to plants, but not yet in existence in Myanmar and even those in existence but not widely spread, yet needs to be controlled.
Transit Camp	A camp being stationed for the purpose of temporary storage of plant, plant product, pest, beneficial organism or soil from the arriving carrier to Myanmar, before being transferred to the outgoing carrier destined to any foreign country.

2.2 Prohibitions

Commodities not listed in section 4 are prohibited.

2.3 Import Permits

Import permits are required for all commodities. An import permit is also referred to as “import certificate” in Myanmar.

From 1 October 2017, Myanmar requires that the four digit import certificate/permit number be stated in the additional declaration section of the phytosanitary certificate.

2.4 Phytosanitary Certificates

All exported commodities must be accompanied by a phytosanitary certificate.

2.5 Pest Risk Analysis (PRA) Requirements

Myanmar have clarified their requirements for Pest Risk Analysis (PRA) information for new Market Access and for historic trade of fresh produce, nursery stock and seeds for sowing (note that data is not required for frozen produce).

Please be advised that for any new market access crop/commodity requests Myanmar require data to enable their PRA. Myanmar will not allow import of the new crop/commodities from 1 January 2017.

For crop/commodities that have been accepted as existing trade Myanmar still need to undertake a PRA. Seeds for sowing must supply PRA information to MPI by 28 February 2018 and for fresh produce, by 30 June 2017.

Please contact Plant Exports at plantexports@mpi.govt.nz for further information.

2.6 Inspection on Arrival

- All consignments of plant and plant products may be subject to inspection on arrival.
- If quarantine pests are found during inspect, the Myanmar Agriculture Service has the right to carry out disinfestation or disinfection treatment at the cost of the exporter.

2.7 Sampling Rate

Not specified by Myanmar.

2.8 Ports of Entry

- Yangon International Airport
- Yangon Port
- Myanmar Posts and Telecommunications, Foreign Mail Service
- Transit Camp

The ministry may extend the establishment of pest inspection camps.

2.9 Transit Requirements

- All consignments must be accompanied by a phytosanitary certificate and import permit.
- The transit requirement is subject to all import regulations of Myanmar.

3 Commodity Class Requirements

3.1 Fruit and Vegetables

3.1.1 Fresh Fruit

Conditions:

Import permit required. Phytosanitary certificate required. Refer to Section 4.1.1 for fresh fruits specific commodity requirements. Myanmar requires that the four digit import certificate/permit number be stated in the additional declaration section of the phytosanitary certificate.

The following additional declaration may be used to meet import permit requirements for the disinfection treatment of fresh fruit for Queensland fruit fly (*Bactrocera tryoni*) and Mediterranean fruit fly (*Ceratitis capitata*):

Additional declaration:

“New Zealand is free from *Bactrocera tryoni* and *Ceratitis capitata*.”

3.2 Cut Flowers and Foliage

Conditions:

Import permit required. Phytosanitary certificate required. Refer to Section 4.2 for specific commodity requirements. Myanmar requires that the four digit import certificate/permit number be stated in the additional declaration section of the phytosanitary certificate.

3.3 Nursery Stock

Conditions:

Import permit required. Phytosanitary certificate required. Refer to Section 4.3 for specific commodity requirements. Myanmar requires that the four digit import certificate/permit number be stated in the additional declaration section of the phytosanitary certificate.

3.4 Seeds, Grains and Nuts

3.4.1 Seeds, Grains and Nuts for Sowing

Conditions:

Import permit required. Phytosanitary certificate required. Refer to Section 4.4.1 for specific commodity requirements. Myanmar requires that the four digit import

certificate/permit number be stated in the additional declaration section of the phytosanitary certificate.

3.4.2 Seeds, Grains and Nuts for Consumption

Conditions:

Import permit required. Phytosanitary certificate required. Refer to Section 4.4.2 for specific commodity requirements. Myanmar requires that the four digit import certificate/permit number be stated in the additional declaration section of the phytosanitary certificate.

3.4.3 Seeds, Grains and Nuts for Processing

Conditions:

Import permit required. Phytosanitary certificate required. Refer to Section 4.4.3 for specific commodity requirements. Myanmar requires that the four digit import certificate/permit number be stated in the additional declaration section of the phytosanitary certificate.

4 Commodity Specific Requirements

If a commodity or commodity group is not identified within this ICPR, refer to section 2.5

4.1 Fruit and Vegetables

4.1.1 Fresh Fruit

Conditions:

Refer Section 3.1.1

Actinidia chinensis

Kiwifruit

Actinidia deliciosa

Conditions:

Import permit and phytosanitary certificate required.

Ananas comosus

Pineapple

Conditions:

Import permit and phytosanitary certificate required.

Archidendron pauciflorum

Jengkol

Conditions:

Import permit and phytosanitary certificate required.

Artocarpus heterophyllus

Jackfruit

Conditions:

Import permit and phytosanitary certificate required.

Baccaurea ramiflora

Burmese Grape

Conditions:

Import Permit and phytosanitary certificate required.

Citrullus lanatus

Conditions:

Import permit and phytosanitary certificate required.

Watermelon

Citrus aurantiifolia

Conditions:

Import permit and phytosanitary certificate required.

Lime

Citrus maxima

Conditions:

Import permit and phytosanitary certificate required.

Pomelo

Citrus reticulata

Conditions:

Import permit and phytosanitary certificate required.

Mandarine

Citrus spp.

Conditions:

Import permit and phytosanitary certificate required.

Citrus

Citrus spp.

Conditions:

Import permit and phytosanitary certificate required.

Orange

Cocos nucifera

Conditions:

Import permit and phytosanitary certificate required.

Coconut

Cucumis melo

Conditions:

Import permit and phytosanitary certificate required.

Melon

Diospyros kaki

Conditions:

Import permit and phytosanitary certificate required.

Persimmon

Durio zibethinus

Conditions:

Import permit and phytosanitary certificate required.

Durian

Fragaria spp.

Conditions:

Import permit and phytosanitary certificate required.

Strawberry

Hylocereus undatus

Conditions:

Import permit and phytosanitary certificate required.

Dragonfruit

<u><i>Dimocarpus longan</i></u> Conditions: Import permit and phytosanitary certificate required.	<u>Longan</u>
<u><i>Malus domestica</i></u> Conditions: Import permit and phytosanitary certificate required.	<u>Apple</u>
<u><i>Mangifera indica</i></u> Conditions: Import permit and phytosanitary certificate required.	<u>Mango</u>
<u><i>Moringa oleifera</i></u> Conditions: Import permit and phytosanitary certificate required.	<u>Drumstick</u>
<u><i>Nephelium lappaceum</i></u> Conditions: Import permit and phytosanitary certificate required.	<u>Rambutan</u>
<u><i>Passiflora edulis</i></u> Conditions: Import permit and phytosanitary certificate required.	<u>Passionfruit</u>
<u><i>Persea americana</i></u> Conditions: Import permit and phytosanitary certificate required.	<u>Avocado</u>
<u><i>Phoenix dactylifera</i></u> Conditions: Import permit and phytosanitary certificate required.	<u>Date</u>
<u><i>Prunus armeniaca</i></u> Conditions: Import permit and phytosanitary certificate required.	<u>Apricot</u>
<u><i>Prunus avium</i></u> Conditions: Import permit and phytosanitary certificate required. Additional declaration: The product has been inspected and found free from <i>Thrips obscuratus</i> and <i>Saissetia oleae</i> .	<u>Cherry</u>
<u><i>Prunus domestica</i></u> Conditions: Import permit and phytosanitary certificate required.	<u>Plum</u>
<u><i>Prunus persica</i></u> Conditions:	<u>Peach</u>

Import permit and phytosanitary certificate required.

Prunus persica nucipersica

Conditions:

Import permit and phytosanitary certificate required.

Nectarine

Psidium guajava

Conditions:

Import permit and phytosanitary certificate required.

Guava

Punica granatum

Conditions:

Import permit and phytosanitary certificate required.

Pomegranate

Pyrus spp.

Conditions:

Import permit and phytosanitary certificate required.

Pear

Rubus idaeus

Conditions:

Import permit and phytosanitary certificate required.

Raspberry

Salacca spp.

Conditions:

Import permit and phytosanitary certificate required

Vaccinium corymbosum

Conditions:

Import permit and phytosanitary certificate required.

Blueberry

Vaccinium macrocarpon

Conditions:

Import permit and phytosanitary certificate required.

Cranberry

Vaccinium myrtillus

Conditions:

Import permit and phytosanitary certificate required.

Blackberry

Vitis vinifera

Conditions:

Import permit and phytosanitary certificate required.

Grape

4.1.2 Fresh Vegetables

Conditions:

Refer Section 3.1.1

Abelmoschus esculentus

Conditions:

Import permit and phytosanitary certificate required.

Okra

<u><i>Agaricus bisporus</i></u> Conditions: Import permit and phytosanitary certificate required.	<u>Mushroom</u>
<u><i>Allium ascalonicum</i></u> Conditions: Import permit and phytosanitary certificate required.	<u>Shallot</u>
<u><i>Allium cepa</i></u> Conditions: Import permit and phytosanitary certificate required.	<u>Onion</u>
<u><i>Allium porrum</i></u> Conditions: Import permit and phytosanitary certificate required.	<u>Leek</u>
<u><i>Allium sativum</i></u> Conditions: Import permit and phytosanitary certificate required.	<u>Garlic</u>
<u><i>Apium graveolens</i></u> Conditions: Import permit and phytosanitary certificate required.	<u>Celery</u>
<u><i>Archidendron jiringa</i></u> Conditions: Import permit and phytosanitary certificate required.	<u>Jengkol</u>
<u><i>Benincasa hispida</i></u> Conditions: Import permit and phytosanitary certificate required.	<u>Wax Gourd</u>
<u><i>Beta vulgaris</i></u> Conditions: Import permit and phytosanitary certificate required.	<u>Beetroot</u>
<u><i>Beta vulgaris subsp. vulgaris var. flavescens</i></u> Conditions: Import permit and phytosanitary certificate required.	<u>Swiss Chard</u>
<u><i>Brassica oleracea</i></u> Conditions: Import permit and phytosanitary certificate required.	<u>Cabbage</u>
<u><i>Brassica oleracea var. botrytis</i></u> Conditions: Import permit and phytosanitary certificate required.	<u>Cauliflower</u>
<u><i>Brassica oleracea var. gongylodes</i></u> Conditions:	<u>Kohlrabi</u>

Import permit and phytosanitary certificate required.

Brassica oleracea var. italic

Conditions:

Import permit and phytosanitary certificate required.

Broccoli

Brassica oleracea var. viridis

Conditions:

Import permit and phytosanitary certificate required.

Kale

Capsicum annuum

Conditions:

Import permit and phytosanitary certificate required.

Capsicum / Pepper

Capsicum frutescens

Conditions:

Import permit and phytosanitary certificate required.

Chilli

Capsicum frutescens var. cerasiforme

Conditions:

Import permit and phytosanitary certificate required.

Cherry Pepper

Cichorium intybus

Conditions:

Import permit and phytosanitary certificate required.

Chicory

Cichorium intybus var. foliosum

Conditions:

Import permit and phytosanitary certificate required.

Endive

Coriandrum sativum

Conditions:

Import permit and phytosanitary certificate required.

Coriander

Cucumis sativus

Conditions:

Import permit and phytosanitary certificate required.

Cucumber

Cucurbita pepo

Conditions:

Import permit and phytosanitary certificate required.

Pumpkin

Cucurbita spp.

Conditions:

Import permit and phytosanitary certificate required.

Squash

Cynara scolymus

Conditions:

Import permit and phytosanitary certificate required.

Artichoke

Daucus carota

Conditions:

Carrot

Import permit and phytosanitary certificate required.

Dioscorea opposita

Conditions:

Import permit and phytosanitary certificate required.

Chinese Yam

Dolichos spp.

Conditions:

Import permit and phytosanitary certificate required.

Ipomoea batatas

Conditions:

Import permit and phytosanitary certificate required.

Sweet Potato

Lactuca sativa

Conditions:

Import permit and phytosanitary certificate required.

Lettuce

Lagenaria siceraria

Conditions:

Import permit and phytosanitary certificate required.

Bottle Gourd

Lactuca sativa var. *romana*

Conditions:

Import permit and phytosanitary certificate required.

Romaine Lettuce

Luffa acutangula

Conditions:

Import permit and phytosanitary certificate required.

Angled Luffa

Momordica charantia

Conditions:

Import permit and phytosanitary certificate required.

Bitter Gourd

Panax ginseng

Conditions:

Import permit and phytosanitary certificate required.

Ginseng

Perilla spp.

Conditions:

Import permit and phytosanitary certificate required.

Petroselinum crispum

Conditions:

Import permit and phytosanitary certificate required.

Parsley

Raphanus sativus

Conditions:

Import permit and phytosanitary certificate required.

Radish

<u><i>Solanum lycopersicum</i></u> Conditions: Import permit and phytosanitary certificate required.	<u>Tomato</u>
<u><i>Solanum melongena</i></u> Conditions: Import permit and phytosanitary certificate required.	<u>Eggplant</u>
<u><i>Solanum tuberosum</i></u> Conditions: Import permit and phytosanitary certificate required.	<u>Potato</u>
<u><i>Spinacia oleracea</i></u> Conditions: Import permit and phytosanitary certificate required.	<u>Spinach</u>
<u><i>Trichosanthes cucumerina var. anguina</i></u> Conditions: Import permit and phytosanitary certificate required.	<u>Snake Gourd</u>
<u><i>Vigna unguiculata ssp. Sesquipedalis</i></u> Conditions: Import permit and phytosanitary certificate required.	<u>Yard long bean</u>
<u><i>Zingiber officinale</i></u> Conditions: Import permit and phytosanitary certificate required.	<u>Ginger</u>

4.2 Cut Flowers and Foliage

Conditions:
Refer Section 3.2

4.3 Nursery Stock

Conditions:
Refer Section 3.3

<u><i>Abelmoschus esculentus</i></u> Conditions: Import permit and phytosanitary certificate required.	<u>Okra</u>
<u><i>Acacia mangium, Acacia salicina, Acacia leiocalyx</i></u> <u><i>Acacia penninervis, Acacia concurrens</i></u> <u><i>Acacia decurrens</i></u> <u><i>Acacia mearnsii</i></u> Conditions: Import permit and phytosanitary certificate required.	<u>Black Wattle</u>

Cherry

Raphanus sativus

Conditions:

Import permit and phytosanitary certificate required.

Radish

Sesamum indicum

Conditions:

Import permit and phytosanitary certificate required.

Sesame

Solanum lycopersicum

Conditions:

Import permit and phytosanitary certificate required.

Tomato

Solanum melongena

Conditions:

Import permit and phytosanitary certificate required.

Eggplant

Sorghum bicolor

Conditions:

Import permit and phytosanitary certificate required.

Millet

Spinacia oleracea

Conditions:

Import permit and phytosanitary certificate required.

Spinach

Trichosanthes cucumerina var. anguina

Conditions:

Import permit and phytosanitary certificate required.

Snake Gourd

Triticum aestivum

Conditions:

Import permit and phytosanitary certificate required.

Wheat

Vigna mungo

Conditions:

Import permit and phytosanitary certificate required.

Black gram

Vigna radiata

Mungbean

Conditions:
Import permit and phytosanitary certificate required.

Vigna unguiculata

Cow pea

Conditions:
Import permit and phytosanitary certificate required.

Vigna unguiculata ssp. sesquipedalis

Yard long Bean

Conditions:
Import permit and phytosanitary certificate required.

Zea mays

Corn / Maize

Conditions:
Import permit and phytosanitary certificate required.

4.4 Seeds, Grains and Nuts

4.4.1 Seeds, Grains and Nuts for Sowing

Conditions:
Refer Section 3.3.1

Abelmoschus esculentus

Okra

Conditions:
Import permit and phytosanitary certificate required.

Acacia mangium, Acacia salicina, Acacia leiocalyx

Black Wattle

Acacia penninervis, Acacia concurrens

Acacia decurrens

Acacia mearnsii

Conditions:
Import permit and phytosanitary certificate required.

Allium ascalonicum

Shallot

Conditions:
Import permit and phytosanitary certificate required.

Allium cepa

Onion

Conditions:
Import permit and phytosanitary certificate required.

Allium porrum

Leek

Conditions:
Import permit and phytosanitary certificate required.

Allium sativum

Garlic

Conditions:
Import permit and phytosanitary certificate required.

Apium graveolens

Celery

Conditions:

Import permit and phytosanitary certificate required.

Arachis hypogaea

Conditions:

Import permit and phytosanitary certificate required.

Groundnut

Avena sativa

Conditions:

Import permit and phytosanitary certificate required.

Oat

Benincasa hispida

Conditions:

Import permit and phytosanitary certificate required.

Ash Gourd

Beta vulgaris

Conditions:

Import permit and phytosanitary certificate required.

Beetroot

Brassica chinensis

Brassica juncea

Conditions:

Import permit and phytosanitary certificate required.

Brassica

Brassica oleracea acephala

Conditions:

Import permit and phytosanitary certificate required.

Kale

Brassica oleracea

Conditions:

Import permit and phytosanitary certificate required.

Cabbage

Brassica oleracea var. botrytis

Conditions:

Import permit and phytosanitary certificate required.

Cauliflower

Brassica oleracea var. gongylodes

Conditions:

Import permit and phytosanitary certificate required.

Brassica Kohlrabi

Brassica oleracea var. italic

Conditions:

Import permit and phytosanitary certificate required.

Broccoli

Brassica rapa

Conditions:

Import permit and phytosanitary certificate required.

Kohlrabi

Brassica spp.

Conditions:

Import permit and phytosanitary certificate required.

Mustard

Cajanus cajan

Conditions:

Import permit and phytosanitary certificate required.

Capsicum annum

Conditions:

Import permit and phytosanitary certificate required.

Capsicum frutescens

Conditions:

Import permit and phytosanitary certificate required.

Chrysanthemum spp.

Conditions:

Import permit and phytosanitary certificate required.

Cicer arietinum

Conditions:

Import permit and phytosanitary certificate required.

Cichorium endivia

Conditions:

Import permit and phytosanitary certificate required.

Cichorium intybus

Conditions:

Import permit and phytosanitary certificate required.

Cichorium intybus

Conditions:

Import permit and phytosanitary certificate required.

Citrullus lanatus

Conditions:

Import permit and phytosanitary certificate required.

Citrus maxima

Conditions:

Import permit and phytosanitary certificate required.

Coriandrum sativum

Conditions:

Import permit and phytosanitary certificate required.

Cucumis melo

Conditions:

Import permit and phytosanitary certificate required.

Pigeon Pea

Capsicum / Pepper /
Paprika

Chilli

Crysanthemum

Chickpea

Endive

Chicory

Leaf Chicory

<u><i>Lablab purpureus</i></u> Conditions: Import permit and phytosanitary certificate required.	<u>Dolichos</u>
<u><i>Lactuca sativa</i></u>	<u>Lettuce</u>

Conditions:

Import permit and phytosanitary certificate required.

Lagenaria siceraria

Conditions:

Import permit and phytosanitary certificate required.

Gourd / Bottle Gourd

Luffa acutangulau

Conditions:

Import permit and phytosanitary certificate required.

Luffa

Luffa cylindrica

Conditions:

Import permit and phytosanitary certificate required.

Sponge Gourd

Malva spp.

Conditions:

Import permit and phytosanitary certificate required.

Momordica charantia

Conditions:

Import permit and phytosanitary certificate required.

Bitter Gourd

Orchidaceae

Conditions:

Import permit and phytosanitary certificate required.

Orchid

Oryza sativa

Conditions:

Import permit and phytosanitary certificate required.

Rice

Perilla frutescens

Conditions:

Import permit and phytosanitary certificate required.

Perilla

Persea americana

Conditions:

Import permit and phytosanitary certificate required.

Avocado

Petroselinum crispum

Conditions:

Import permit and phytosanitary certificate required.

Parsley

Phaseolus lunatus

Conditions:

Import permit and phytosanitary certificate required.

Lima Bean

Phaseolus spp.

Conditions:

Bean

Import permit and phytosanitary certificate required.

Pisum sativum

Conditions:

Import permit and phytosanitary certificate required.

Pea

Prunus avium

Conditions:

Import permit and phytosanitary certificate required.

Cherry

Raphanus sativus

Conditions:

Import permit and phytosanitary certificate required.

Radish

Sesamum indicum

Conditions:

Import permit and phytosanitary certificate required.

Sesame

Solanum lycopersicum

Conditions:

Import permit and phytosanitary certificate required.

Tomato

Solanum melongena

Conditions:

Import permit and phytosanitary certificate required.

Eggplant

Sorghum bicolor

Conditions:

Import permit and phytosanitary certificate required.

Millet

Spinacia oleracea

Conditions:

Import permit and phytosanitary certificate required.

Spinach

Trichosanthes cucumerina var. anguina

Conditions:

Import permit and phytosanitary certificate required.

Snake Gourd

Triticum aestivum

Conditions:

Import permit and phytosanitary certificate required.

Wheat

Vigna mungo

Conditions:

Import permit and phytosanitary certificate required.

Black gram

Vigna unguiculata

Conditions:

Import permit and phytosanitary certificate required.

Cow pea

Vigna unguiculata ssp. sesquipedalis

Yard long Bean

Conditions:

Import permit and phytosanitary certificate required.

Zea mays

Corn / Maize

Conditions:

Import permit and phytosanitary certificate required.

Note: Potato tuber seed (for planting) must provide data information for a Pest Risk Analysis (PRA) to Myanmar NPPO.

4.4.2 Seed, Grains and Nuts for Consumption

Arachis hypogaea

Groundnut

Conditions:

Import permit and phytosanitary certificate required.

Avena sativa

Oat

Conditions:

Import permit and phytosanitary certificate required.

Cajanus cajan

Pigeon Pea

Conditions:

Import permit and phytosanitary certificate required.

Cicer arietinum

Chickpea

Conditions:

Import permit and phytosanitary certificate required.

Glycine max

Soybean

Conditions:

Import permit and phytosanitary certificate required.

Helianthus annuus

Sunflower

Conditions:

Import permit and phytosanitary certificate required.

Hordeum vulgare

Barley

Conditions:

Import permit and phytosanitary certificate required.

Lens culinaris

Lentil

Conditions:

Import permit and phytosanitary certificate required.

Oryza sativa

Rice

Conditions:

Import permit and phytosanitary certificate required.

Phaseolus lunatus

Lima bean

Conditions:

Import permit and phytosanitary certificate required.

Phaseolus vulgaris

Conditions:

Import permit and phytosanitary certificate required.

Bean

Pisum sativum

Conditions:

Import permit and phytosanitary certificate required.

Pea

Sesamum indicum

Conditions:

Import permit and phytosanitary certificate required.

Sesame

Sorghum spp.

Conditions:

Import permit and phytosanitary certificate required.

Sorghum / Millet

Triticum aestivum

Conditions:

Import permit and phytosanitary certificate required.

Wheat

Vigna mungo

Conditions:

Import permit and phytosanitary certificate required.

Black gram

Vigna radiata

Conditions:

Import permit and phytosanitary certificate required.

Green gram / Mung bean

Vigna unguiculata

Conditions:

Import permit and phytosanitary certificate required.

Cow pea

Zea mays

Conditions:

Import permit and phytosanitary certificate required.

Corn/Maize

4.4.3 Seed, Grains and Nuts for Processing

Brassica napus

Conditions:

Import permit and phytosanitary certificate required.

Canola

Anacardium occidentale

Conditions:

Import permit and phytosanitary certificate required.

Cashew nut

<u>Curcuma longa</u> Conditions: Import permit and phytosanitary certificate required.	<u>Turmeric</u>
<u>Nicotiana tabacum</u> Conditions: Import permit and phytosanitary certificate required.	<u>Tobacco</u>
<u>Pistacia vera</u> Conditions: Import permit and phytosanitary certificate required.	<u>Pistachio</u>
<u>Prunus dulcis</u> Conditions: Import permit and phytosanitary certificate required.	<u>Almond</u>
<u>Triticum aestivum</u> Conditions: Import permit and phytosanitary certificate required.	<u>Wheat</u>

4.5 Animal Feed

<u>Brassica napus</u> Conditions: Import permit and phytosanitary certificate required.	<u>Canola</u>
<u>Glycine max</u> Conditions: Import permit and phytosanitary certificate required.	<u>Soybean</u>
