(acting under delegated authority)

2. Argentine Republic requirements

Goats for breeding or fattening exported from New Zealand to Argentine Republic must be accompanied by an official assurance in the form of a completed zoosanitary certificate.

The zoosanitary certificate as specified below must be completed and certified, after due enquiry, by an Official Veterinarian of the Ministry for Primary Industries.

Explanatory note:

If the zoosanitary certificate is not certified then the goats for breeding or fattening do not satisfy the conditions in the notice. Likewise, if the goats for breeding or fattening do not satisfy the zoosanitary requirements in the certificate, then the certificate will not be certified
