Hi [REDACTED]

I presume you are referring to this part of the explanatory note in the Declaration notices:

“A maitaitai reserve is a traditional fishing ground for which Tangata Tiaki/Kaitiaki are appointed under the regulations.”

As I understand it, it comes from [regulation 2](#) (Interpretation) of the [Fisheries \(South Island Customary Fishing\) Regulations 1999](#):

“**maitaitai reserve** means an identified traditional fishing ground established as a maitaitai reserve under [regulation 20](#)”

through [regulation 20](#) (Declaration of maitaitai reserve), then to [regulation 21\(1\)](#) (Appointment of Tangata Tiaki/Kaitiaki for maitaitai reserve).

“The Minister must appoint the Tangata Tiaki/Kaitiaki nominated on the approved form under [regulation 17](#) for the corresponding maitaitai reserve declared under [regulation 20](#).”

Please let me know if this isn't what you were referring to.

Kind regards

[REDACTED]

Good afternoon [REDACTED]

Thanks for the Notices - can you please give the source material for the definition of maitaitai as set out in the explanatory notes accompanying the 'declaration' Notices.
